## Review for Dr. Ewa Chuchla

I think Dr. Ewa Chuchla is a fabulous doctor. She has an amazing personality, she's very warm-hearted and gives her best in everything she does. When I was her patient, I had a painful treatment, but she made me laugh, gave me a hug and made me forget about the pain. Also, she is very caring and cares about her patients. I love her bubbly personality as it makes me smile. When you come into her room, you'll feel welcome and her smile will warm you up! :)

So, don't be scared when you're going to the Dermatologist. There is nothing to be scared of when your doctor is

Dr. Ewa Chuchla!

I recommend her 100/100
